

Visiting the Sonshine Toy Library

A Social Story

The toy library is a place where we can go and borrow different toys to take home to play with.

When it's time to go to the toy library we have to find our borrowed toys, and make sure we have all the pieces.

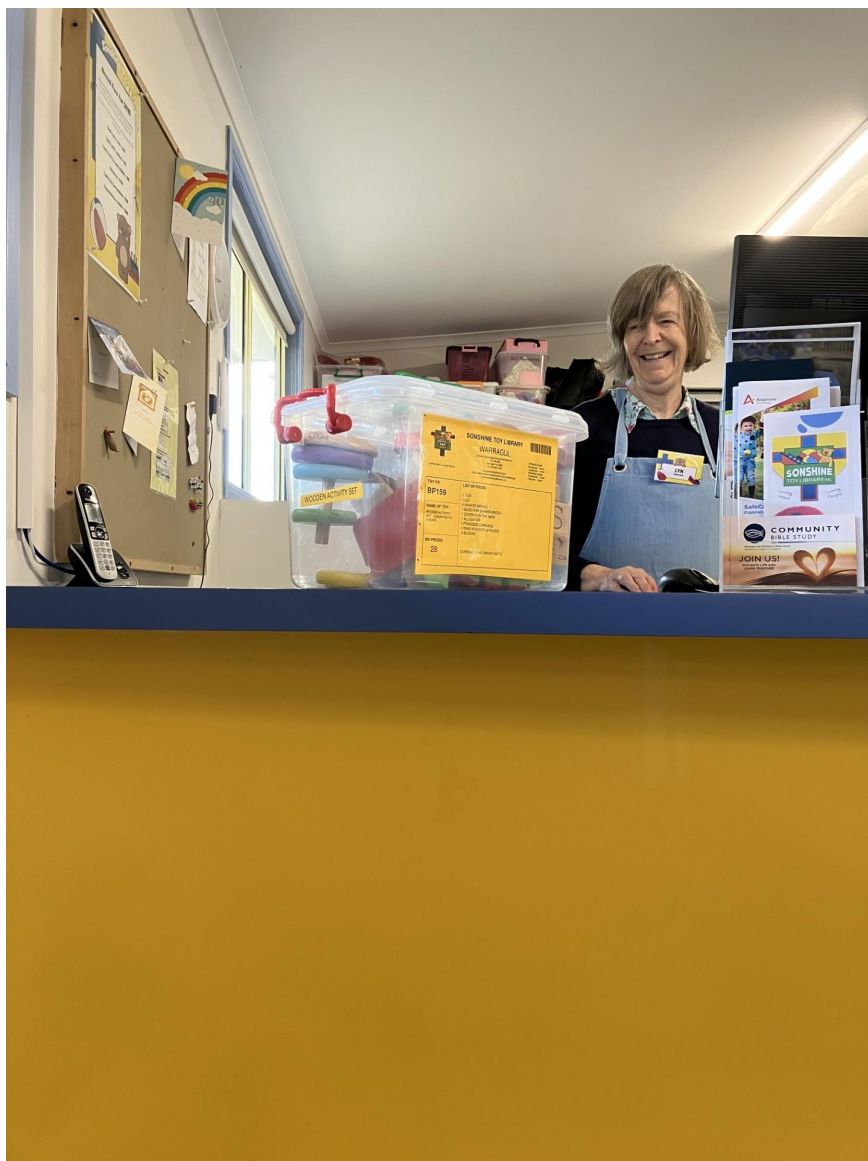

I might feel sad that my turn is finished with this toy. That's okay. We might be able to have another turn of this toy later.

We will drive in the car with our toys and park in the car park. I might need to help carry some of the toys inside.

We walk up the ramp to get inside.

When we get inside the toy library, we give our borrowed toys to the helper who will return them on the computer.

It can be noisy and busy in the toy library sometimes. I can borrow some earmuffs if I would like.

I can play with the toys, but I will need to share with the other children at Toy Library.

When I am finished playing with a toy, I need to put it back on the shelf.

**I can choose some
Library toys to take
home with me.**

**My adult will tell me
how many toys we can
take home.**

**We need to wait until
we get home to play
with them.**

After we have picked our toys, we will take them to the helper. We will tell the helper the toy numbers and they will add them to the computer.

We can keep the toys for 2 weeks before we need to bring them back to the toy library.

With the help of my adult we will carry the toys out to our car.

I need to look after the toys and try not to lose or break any pieces.

When I am finished playing with the Library toys, I need to bring them back to Toy Library.

It is fun at Toy Library. Sometimes it is sad to leave.

When it is time to go home, I can have a teddy biscuit. I can come back again next week.
